We have a lot of organizing to do before the Kona meeting, if everything is to go smoothly. There's need for specific volunteers.

Please post to -admin any planning issues that you see I've omitted ... Then we'll post the revised version to -all to get any further volunteers needed.

Before Kona:

- \_\_\_ US Public Comment completion: complete the Response, do a meeting vote in Kona
- \_\_\_ Membership checks; each WG21 delegation in writing from the national body
- \_\_\_ Preparing "view-foils" - Plum is providing on-screen projection from PC, so any document that MS Word can display in 24-point type (8 lines x 40?) is probably adequately visible; ordinary overhead projector will be there too
- \_\_\_ Plan seating by subgroups; allows quick "caucuses" during full session

At Kona:

- \_\_\_ One attendee volunteer for each National Body Comment on CD (I'll post Harbison's draft to -admin); need to help draft, or review draft, of Disposition of Comments to address all Comments from that National Body
- Australia: \_\_\_\_\_
- Canada: [Lajoie?]
- Germany: [Hartinger?]
- Japan: \_\_\_\_\_
- Sweden: [Brück?]
- UK: \_\_\_\_\_
- US: (abstained)
- [others?]

- \_\_\_ Drafting Committee; should be little to do; expect essentially only two resolutions,
  - "approve the document on the table, N\_\_\_\_\_ = 96-\_\_\_\_\_, as the current WP"?
  - "approve the document on the table, N\_\_\_\_\_ = 96-\_\_\_\_\_, to be forwarded as CD"?
- \_\_\_\_\_ (volunteers)

- \_\_\_ One attendee volunteer for each issues list; check each issues list for items that can be addressed, record status of all issues
- Core-1: [Adamczyk?]
- Core-2: [Lajoie?]
- Core-3: [Gibbons?]
- C-Compat: [Benito?]
- Lib-Intro: [Dawes?] [co-ordinate all the Lib- groups with Beman Dawes]  
[intro, support, diagnostics, utilities?]
- Lib-Num: \_\_\_\_\_ [numerics]
- Lib-IO: [Schwarz?] [locales, iostreams, annex d?]
- Lib-String: \_\_\_\_\_ [strings]
- Lib-STL: \_\_\_\_\_ [containers, iterators, algorithms?]

- \_\_\_ Overall logistics: computers, printers, copier, paper supplies, power

cards:

Plum, assisted by Peter Kurpis

\_\_\_ One attendee volunteer for each CD clause, and a second volunteer as Reviewer;

good choice for Reviewer is the Issue List Leader?;

work and rules similar to "post-meeting" editing sessions except has to be

done before [when? - Weds PM?]; prepare reliable "diff-lists" between pre-Hawaii WP and "final" CD, so people can perform scrutiny check?
