DATE: 10 January 2006

Re: official invitation from Ecma International to host three ballot resolution meetings in April 2006 for three fast-tracked Ecma Standards

Dear Ms. Seitz,

In June 2005, the Ecma General Assembly adopted the five following Ecma Standards and Technical Reports which have been sent to ITTF for the fast-track process:

- | | |
|--|---|
| DIS ISO/IEC 23270 2 nd ed. | C# Language Specification (end of vote: 26 January 2006) – Editor: Mr. Rex Jaeschke |
| DIS ISO/IEC 23271 2 nd ed. | Common Language Infrastructure (CLI) (end of vote: 26 January 2006) – Editor: Mr. Rex Jaeschke |
| DIS ISO/IEC 25436 1 st ed. | Eiffel Analysis, Design and Programming Language (end of vote: 6 February 2006) – Editor: Prof. Bertrand Meyer |
| DIS ISO/IEC TR 23272 2 nd ed. | Common Language Infrastructure (CLI) Technical Report: Information Derived from Partition IV XML File (end of vote: 7 December 2005) – Editor: Mr. Rex Jaeschke |
| DIS ISO/IEC TR 25438 1st ed. | Common Language Infrastructure (CLI) Technical Report: Common Generics (end of vote: 7 December 2005) – Editor: Mr. Rex Jaeschke |

As comments will be made during the fast-track process of the three above mentioned Ecma Standards, we would be pleased to host three ballot resolution meetings in April 2006 in Geneva on behalf of Ecma International on the following dates:

- | | |
|---|---------------------------------------|
| Ecma TC39-TG2 (C#) – DIS ISO/IEC 23270 2 nd ed. | 12 April (afternoon)-13 April |
| Ecma TC39-TG3 (CLI) – DIS ISO/IEC 23271 2 nd ed.(+ 2 TR) | 10 April-11 April (morning if needed) |
| Ecma TC39-TG4 (Eiffel) – DIS ISO/IEC 25436 1 st ed. | 11 April |

Since ECMA TR/84 3rd edition is made up of a XML file which is part of the fast-tracked Standard ECMA-335 3rd edition and ECMA TR/89 1st edition requires facilities that are being added to the commented version of ECMA TR/84, we therefore wish to await the publication of the three above mentioned ISO/IEC Standards before proceeding the publication of the ISO/IEC TR 23272 and 25438 although these two Technical reports have been adopted without comments during the fast-track process.

LOCATION: Ecma International
114 rue du Rhône
CH-1204 GENEVA
Switzerland
Phone: +41 22 849 60 00
Fax: +41 22 849 60 01

Some hotels, if needed: Hotel Century
24 avenue de Frontenex
CH-1207 GENEVA
Switzerland
Tel: +41 22 592.88.88
Fax: +41 22 592.88.78
Email: hotelcentury@bluewin.ch
Single room: CHF 204.-- (breakfast included, taxes excluded)
Double room: CHF 258.-- (breakfast included, taxes excluded)

Hotel Calvy
5 ruelle du midi
CH-1207 GENEVA
Switzerland
Tel: +41 22 700.27.27
Fax: +41 22 735.61.62
Email: calvy@bluewin.ch
URL: www.original.ch/calvy
Single room: CHF 130.-- (breakfast and taxes included)
Double room: CHF 160.-- (breakfast and taxes included)

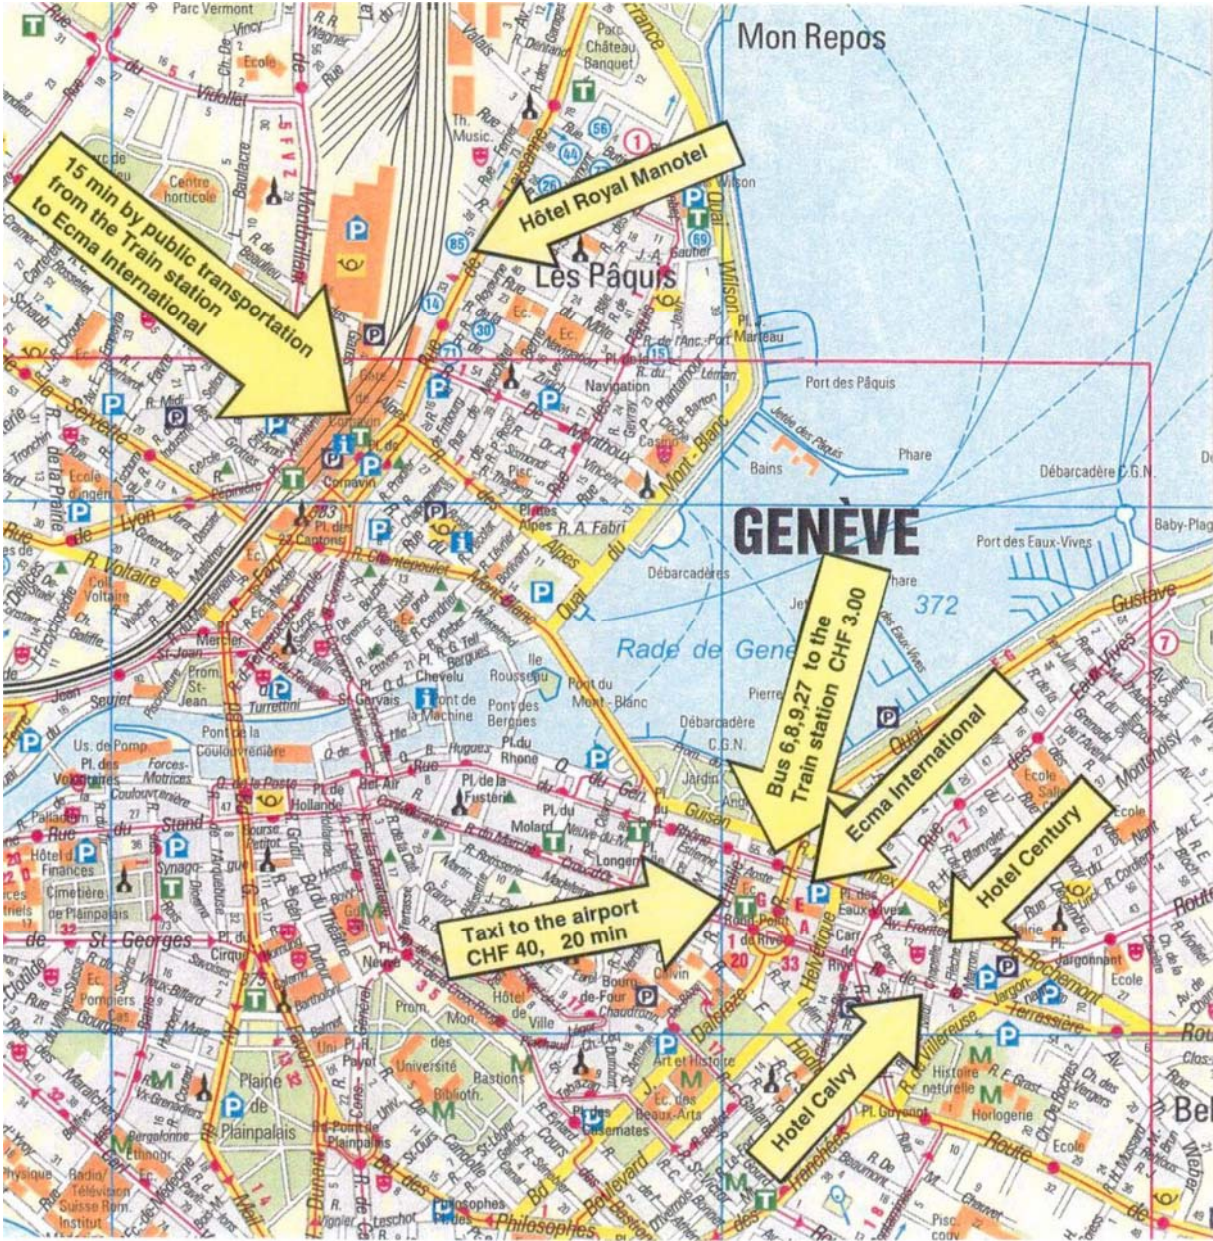

Accommodation

Rooms must be reserved directly at the hotels **before the 10 March 2006.**

Please provide in your email, faxed or phone reservation:

- Arrival/Departure dates
- Room preference (single/double occupancy)
- Reservation reference "Ecma International"
- Credit Card Number and expiry date.

As it can be seen on the map below two hotels are in walking distance from the Ecma office.

Transportation

From Cointrin airport, take any train to Geneva main station Cornavin, or a taxi (about CHF 25.--). From Cornavin take tram 16, direction "Moillesulaz" and get off at the "Rive" stop. Other recommended options at Cornavin are to take bus 9 or bus 27 and get off at the bus stop "Pierre-Fatio". For more information on transportation, go to www.tpg.ch.

You can buy a ticket at the airport at the CFF desk, which will be valid for the train and the tram. You can also buy your ticket at the ticket vending machines (at virtually all bus stops). The full fare is CHF 3.-- for 60 minutes (ticket "Tout Genève").

We thank you in advance for your cooperation and look forward to your answer.

Yours faithfully,

J. van den Beld
Secretary General
